Re: Fiscal Year 2026 Proposed Budget

Dear Governor Murphy:

Thank you for securing the groundbreaking policies and resources that the early intervention and intellectual and developmental disability communities have gained during your tenure as the Governor of New Jersey.

You meant what you said in the 2025 State of the State Address of your “unshakeable determination to better the lives of the people we serve.” By meeting your fiscal and moral obligations you have kept us whole, body and soul.

The citizens of New Jersey along with the early intervention and intellectual and developmental disabilities communities entrusted you to do good work. You and your staff have fulfilled your commitment and then some.

Sincerely,

Cathy Chin
